“ Adolph was my cousin I have so many memories of him . He always acted like a older brother taking me any older sister to the movies and other places. We had some real good conversations and he has such a good heart. He was very lovable and cared about people.I will miss you my dear cousin but you are in a better place. Love you!

“ The most wonderful memory I have of my cousin Adolph is at my daughters sweet 16 party. The song that was playing was WE ARE FAMILY and all of my family danced. Adolph,Pearl,Margie,Linda,Ina, and a lot of others.That was so wonderful. Adolph you be greatly missed , but never forgotten. love Suzanne
