

Allison Francine Martinez

July 21, 1982 - October 4, 2024

Allison Francine Martinez, of Aurora, Colorado, formerly of Texas, where she was born and raised, unexpectedly but peacefully passed away in her sleep in the early morning hours of Friday, October 4th.

She was the beloved daughter of Alice Tristan Martinez, Francisco Manuel Martinez Jr, and Julia A. Martinez. She was preceded in death by Alice in August 2012. She mourned for her mom for over a decade. She missed her dearly every day but found so much joy in all the memories they shared. Allison honored her with a large memorial tattoo on her leg of a beautiful dreamcatcher. Alice's love of dreamcatchers became Allison's. She had many dreamcatcher items as they reminded her of her mom.

Allison was only 42 when she passed; she had so much more life to live. She was very compassionate. She had the urge to help everyone who crossed paths with her. She was the type of person that would give you the shirt off her back. She enjoyed watching television and movies, singing and dancing, loving and laughing, and caring for all her friends and family. She had so much love to give, and what she cherished most was family time. Family was everything to Allison.

She is survived by many family members and friends. Her father, Francisco Manuel Martinez Jr; her brothers, Frank, Jacob, and Tim Martinez; her sisters,

Elizabeth and Sabrina Martinez; her nieces, Lillian, Natalie, Bonnie, and Kaycee Martinez; and her nephews, Jeremy, Tristan, Felix, and Tiberius Martinez. Allison treated, cared for, helped raise, and fully loved all her nieces and nephews as if they were her own children.

She will be missed deeply, but in our hearts and memories forever she will stay.

“ Tiberius was listening to my Apple Music this morning and “Thriller” came on and all I could think about was you lighting up with a huge smile and bustin out dancing and singing no matter what was going on or how you were feeling. I can see it all in my head and hear you giggling and singing and dancing in your special way and being without a care in the world for that moment. That is just one of the hundreds of memories I will always remember. I love you. I find comfort in my belief that you are no longer in pain and you are with mom. Please hug and kiss her for me. ❤️
