

Andres "Andy" Pesina

January 21, 1953 - April 21, 2017

Our beloved angel, Andres "Andy" Pesina, suddenly joined his maker on April 21, 2017. Andy Pesina, born January 21, 1953 in Tampico, Mexico where he spent his formative years. He was at home in Glen Dale, California and Houston, Texas. Andy was survived by his parents, Virginia and Albert Lynn Moreno, son Andrew Lynn Pesina, sister Sonia Atuesta-Vela, nieces Chloe and Carmen Vela, nephew Anthony Atuesta. He joins his beloved sister in heaven, Maria Del Carmen Moreno. He is survived by many aunts, uncles and extended family in Mexico, Texas and California.

Andy was a fun loving, adventurous man that loved life to the fullest. He was loved by everyone that had the pleasure to meet and enjoy his fun view of life. He made it a priority to spread his love and affection to his family and friends across Mexico and the USA. His photo album was filled with pictures of vacations with family, friends and loved ones. We all desire to be as happy as he was in life with a fishing pole, train track and cold Coors Lite in hand.

“ God Bless you all Virginia, Albert Lynn Moreno, Andrew Lynn Pesina, Sonia Atuesta-Vela, Chloe and Carmen Vela. God be with you all.

We all are soooo very sad for the passing of Our Precious dear friend Andy....

WOW where do I begin. I met Andy when we were kids. We grew up in West University Place. We all have such WONDERFUL & FUN memories growing up together in West University. Andy's mom Virginia was an AWESOME cook. She would come and visit with my mom and she would always bring some kind of a Special Surprise of food when she came to our home. We all were pretty close. We all had the best childhood and best friendship. We all have kept in touch for over 50 years. We all just got together for our January Birthday's, which we all turned 64. So very THANKFUL & BLESSED for that PRECIOUS night. I was so Happy to see Andy when he walked in the door. He started kissing me and kissing me and kissing me. I said Andy why are you kissing me soooo much? He said because I want to kiss you for all the years we have known each other and for your age then Andy started crying. I said Andy why are you crying and he said Jack I love and missed you so.. WOW that really touched my Heart more than you will ever know. Thank you God for sending Andy to our January Birthday Party. The party was for all the January friends - Raymond Lloyd, Andy Pesina, Mike Turk, and myself. What a fun night. We all were sooo Happy to see each other.... Andy was soooo SWEET and had a very GOOD & BIG HEART... We will all miss our Dear friend ANDY PESINA

God Bless you our Dear, Precious long time friend Andy. Rest in Heaven...

Love you forever, Raymond & Jackie and all our Dear friends that knew and Love Andy....
