“ I miss you so much, Mom.  
I just want to thank you for everything you've done for me. You taught me how to be strong in every way, and I carry that with me every day.

You were so loving—always giving me a kiss and a big hug before I left your house. Those moments will stay with me forever.

I'm going to miss the simple things the most... taking you to the store, going to the thrift shops together, and even switching out your curtains at every visit—sometimes twice in one day. I'm also going to miss bringing you favorite things, flowers, plants, and roosters. Those little memories mean everything to me now.

Mike and the children love you so much, and they're going to miss you deeply too. You will always be in our hearts, forever.

My mommy was taken from us too soon, and that will never feel fair. My heart feels empty, but I will keep striving forward and hold onto hope that I'll be okay..... until I see you again.

But I hold onto my faith and remind myself that God has a plan for all of us.

I love you always, Mom. And I will miss you forever.
