

Angelica Margarita Wilson

October 30, 1951 - August 28, 2021

Angelica Margarita Wilson, 69, beloved mother, grandmother and cherished friend, entered eternal rest on Saturday, August 28, 2021. She was affectionately called “Sweetie“ by those that loved her but to her grandkids she was Mimi! She was born on October 30, 1951 in San Antonio, Texas. She later moved to Houston to raise her family. Angelica is survived by her daughter, Veronica Bernal, son Mark Bernal, her grandchildren Taylor Henderson and Jake Henderson and sister Dolores Gibson. She is preceded in death by her father Jose (Joe) Fidencio Vaca, mother Aurora Vaca her and brother Jose (Jody) Fidencio Vaca Jr.

Angelica’s passion in life was her family, which she doted on. Her undeniable and unconditional love for Jake and Taylor, who she was so proud of, made her happier than anything else could. She always wore a beautiful smile and her laugh was infectious. Angelica was very funny and she will be remembered for making us all laugh! She had a flare for all things life. She loved entertaining, music and travel. She had seen her fair share of places in the world. However, Nothing made her happier than being with her family and friends. Mimi will be greatly missed and never forgotten. She richly blessed her family with her generosity and constant love and support.”

Due to Covid restrictions the family will have a private service to celebrate her life.

“ Dearest, it was such a joy to have had the privilege to work with Angie. I worked with her at Valerus. I roomed with her once we had a offsite company sponsored event and we enjoyed that time together as coworkers and friends so much. She was diligent, quick to resolve whatever came her way and consistently had a serving predisposition. Angie will be dearly missed and I extend my most heartfelt condolences to her family.

With much love,

Laura MacLoughlin
