“ *She was a kind and sweet person. I have fond memories of her visit to Virginia and having a dinner cruise on the Potomac River. We had a great time with all the kids. My heart goes out to all the family.*

“ My mother was the most loving and selfless person I have ever known. When she was young she would take care of her mother when she was sick even if it meant she had to miss school. She was close to her brothers and sisters and I fondly remember family gatherings that we had in years past. She (and my dad) raised six children whom she nurtured and cared for with limitless and unconditional love. She also had a very special love for and relationship with her grandchildren. I am especially gratefully for the trips she took with me and my family; I treasure those memories. She had good friends and enjoyed spending time with them. My mom never met a stranger, she had a very friendly personality and got along with everyone. She welcomed all in her home. My mom was a woman of faith and probably the most special relationship she had was with God. The last time I saw her she blessed me with a sign of the Cross on my forehead before I left as she always did. Our hearts grieve for her loss but we know she is now resting in the arms of our Lord. Our angel on earth is now an angel in Heaven.

“ *I'm honored from all of my heart to have been one of my mom's sons. Angelita or as many people called her "VITA" was surely an angel to me and those wonderful sparkling eyes would surely brighten up any day. I remember as a kid she would feed me, bath me, sing to me at bed time and teach me many things and just spend quality time. I loved doing just the simplest of things for her and after that was done just having her give me a gleam of that beautiful smile was all I needed and looked forward to the next task. I wish that she could have lasted forever but that's not the way it is, I'm going to miss you very very much MOM, but I know that GOD has called on you now to be one of his heavenly ANGELS. Till we meet again... cheers to an unbelievable relationship of mother and son and THANKS for everything and your heart of treasure!!*
