“ *May god comfort you all through this time. Your mother was a very devoted mother and grandmother, loved laughing and giggling with her to silly things like the names on the lotteries cards, dancing to bomba and those beautiful eyes of hers that many of you all have. Hold tight to one another, you will find her love in each and everyone of you. Do things together especially on important dates. I'm very grateful that she was a wonderful wela and took great care my children.*

*With love, comfort and Peace

“ To the Leal Family, that I can only see as part of our extended family. Our deepest condolences to each one of you. May Our Heavenly Father carry you in His Hands thru this your time of need. All my childhood memories on Brockley Lane include our neighbors the Leal family...of the favorites were the Christmas Posadas that we organized and proceeded to have for quite a few years and that Ms. Leal enjoyed hosting making delicious Christmas favorites!! From then on my mom considered Mr. & Mrs. Leal her Compadres! Ms. Leal will be greatly missed. She is now in a beautiful place where she knows no pain and is holding hands with her beloved Danny! May God receive her in His Glory! Much love to our eternal neighbors! Rosa & Jesus Amaya
