“ First off , I would like to start off by saying that it was a blessing and a pleasure to enjoy your beautiful smile even in your toughest moments. You are one strong woman and you didn’t go out without a fight & kept such a positive attitude your last months of battle. You are an amazing soul and hearing your memories you created throughout your journey here on earth 🌍 are bittersweet. You have family here that cry, laugh, and smile while reliving moments of their lives with you throughout the years. You left such a remarkable impression & you will never be forgotten, but live on in spirit. It was a pleasure Ms.Rubio, this is never goodbye , “I will see you later.” Rest and rejoice . ❤️

“ I'll forever miss you, our memories live on. Now we lay you to rest, hoping you're reunited back with grandpa. My heart hurts knowing you're not here anymore. I'll forever be your lil Anna. This still doesn't feel real to me, long live grandma.
