“ *May you rest easy
And soar thru the sky.
May you laugh with the angels
in the clouds so high.
May you find peace
In all your pain and despair.
May we look up to the sky
And always see you there.
May God protect you
And heal your broken heart.
May He wrap his arms around you
When he takes you from this earth.
May you feel all the sweetness
Of joy and happiness.
May your smile be so bright
And full of tenderness.
I wish all these things for you
As you leave us all behind.
For God has blessed us all
For allowing you in our lives.
Fly among the eagles and whisper in the wind.
"I love y'all so much and soon we'll meet again!"*

*Love you cousin. May you rest in everlasting peace. God has called
you home.*
