“ *Carlos,
It breaks me knowing you are no longer here. I'll always cherish each memory we made, you hold a very special place in my heart, not a single soul could ever compare to yours. Thank you for always being such a good friend to me, when I really needed someone nobody was ever there for me but you. I learned a lot from you, I appreciate everything you have done for me. Words can't describe how I am feeling. You not being here anymore feels wrong. It's like something in me feels empty. Once I heard the news I spoke to you out loud hoping you could hear me, the next day I saw a red cardinal, a red cardinal is a sign that those who we have lost will live forever, so long as we keep their memory alive in our hearts. I have a strong feeling that bird I saw was you. You looked so beautiful. I will forever keep our memories alive. You may be gone but you will never be forgotten, the love I have for you will never die.*
