

## Eduardo Ernesto Perez Diaz

November 7, 1972 - April 9, 2026

With deep sorrow, we bid farewell to Eduardo Ernesto Pérez Díaz, who passed away on April 9, 2026 at the age of 53.

Eduardo was the kind of person who lit up every room he entered. His joy was contagious, his energy inexhaustible, and his heart enormous. He was moved by the little things, deeply loved his family, and was always on the dance floor. He was, without a doubt, the life of every gathering.

He leaves behind his wife, his four children, his father, his brothers and all the friends who loved him so much.

Rest in peace, Eduardo. Your people, as you said in every video, will carry you in their hearts forever.
