Dear mom ,

Words can never express the sheer gratitude, the respect, the love I've had towards you over the years. Today I want to thank you for those years, the memories, the tortillas and the chisme. Who am I going to get the latest chisme from now?

I want to apologize, too. A lot of things have happened to you, things you didn't deserve but you got through it, you were strong, someone to look up to and learn from. You were great to me, great to everyone actually and in the end we're all going to miss you for what a wonderful person you have been to us.

I'm glad you're in a much better place, where there's no more suffering or pain, and you'll finally be getting a break from all of us. I love you mom. Rest in peace, I'll always miss you.

“ *I miss saying "Mom" out loud. Heaven needed an angel and god sent for you, You are gone from me forever, Now what am I to do, I miss you now like never before, But I have to let you go, I will never forget you and this I need you to know, My heart breaks of sadness for the one that I adore, Your father in heaven has sent for you and he needs you more, Goodbye until we meet again, in my heart you'll always be, For always you will remain my sweetest memory.*
