

## Filberto Lopez Jr.

June 27, 1983 - June 16, 2021

Filiberto “Fili” Lopez, 37, of Houston, Texas, passed away Tuesday evening, June 15, 2021, due to complications caused by the COVID virus. Fili was the youngest son born to Filiberto and Guillermina Lopez on June 27, 1983, and is survived by his wife of seven years, Sara and their 4-year old daughter, Fili’s Tesoro, Elena Lopez. He also leaves behind his siblings, Brenda (Leopoldo) Martinez, Juan (Nancy), and Jorge (Rosa) Lopez, all from Houston, Texas. Fili is preceded in death by his mother, Guillermina, and his brother, Jose Antonio Lopez.

Fili was employed by the Seattle based Modumetal Inc., a company which specializes in reinforcing metal using nanotechnology. Fili was the first to hold the newly created position as Quality Control Specialist for the Houston unit, where according to a co-worker’s perspective, Fili helped to set the bar and maintain the company’s high standard of excellence. The consensus among his fellow workers is that Fili was a beloved, soft-spoken individual was an easygoing, gentle, and kind person, as well as a great husband and father.

Fili’s greatest love was his family, Sara and Elena. He enjoyed hosting family celebrations and creating cherished memories that will never be forgotten. One of his favorite hobbies was the collection and upkeep of knives. Fili looked forward to spending family vacations visiting mountain ranges throughout the United States. Although his life on Earth was brief, Fili has left

a lasting impression on those he loved and those he knew, and he will never be forgotten. He will be dearly missed.
