

Fortunata Moreira Gonzalez

February 16, 1954 - July 22, 2023

A loving grandmother and mother, Fortunata Gonzalez like her name suggests was a fortunate, beautiful, resilient Salvadoran woman who passed away after a long battle with cirrhosis. She was a humorous, lovely, kind lady who enjoyed cooking, caring for those around her, and especially spending time with loved ones. She always brought a smile to everyone's face with her witty banter. She immigrated to the US in the late 90s, after becoming a widowed single mother. She worked as a waitress and custodian most of her life in America. She sacrificed her life for her children and those around her. Her strong yet gentle, positive, and humorous character allowed her to overcome the arduous obstacles of her life and to be such an influence to those around her. She now rests in peace in God's heavenly kingdom. With gratitude, join us as we come together to celebrate her life.
