“ *Emma has and always will love and pray for her daddy. She smiles when she shares her memories of yalls goofy talks and stories we share about you. She is missing you very much. Tonight we had a thunder storm and she was sad. I told her you were "bowling " and the thunder was a strike...she smiled and said "Good job dad!" I promise to hug her extra tight, and to never let her forget you. Saul and I will always take good care of her.*
