“ Uncle Gibby. I love you more than words could ever describe. I have so many voicemails where we played " phone tag". Seeing you just days before, I feel as though we left off as we had never left each others side. Say hello to Dad and Booboo. Give them a big hug! Keep my seat warm I'll be there shortly💕💕

“ Just finished my brother's wreath. Gilbert's funeral Services will be on Friday 3/12/2021 I know its going to be one of my worst days as I still dont believe that he is gone. I will never hear him call me and say "Hey sis it's Gman I'm still kicking '. I will not hear take care and I love you and be careful were his words that he would say before he hung up everytime we talk. Even if he hangs up he would call right back because there was something else that he forgot or just wanted to mention again and laugh about it. He would say I heard on the Eagle radio station about the bad things and be careful or the heard one of his favorite songs that him and BooBoo would listen too. He never put family last . He loved his brothers and sisters. Well to tell you the truth he loved everyone. Those things that I will not forget. Love you Gman always Say hello to mom and the brother's. We will see yall again someday carry those conversations.
