“ I'm so proud of you brother. You are so courageous. You were determined to fight this cancer fight and get better for your family. You also wanted to help find a cure for others. Your life was not in vain. Even in death You were still giving. I've never met someone with a heart as big as yours. You'd always go above and beyond to help someone in need. Would give the shirt off your back. I hope you know you planted a seed in everyone you came in contact with. You are so blessed, the best church flute and piano player, DJ, Karaoke, overall music lover, softball, volleyball, fisherman, candy crush, 8 ball pool, mortal combat, skylander game player I've known. You never turned down a good meal ;) you are talented in every way, great at everything you did. The perfect OCD/perfectionist I've ever known. God really took a good one...a great one. Words cannot express how much I miss you already. We have shared nearly 40 years of life together now I'll have to face a special loneliness. I love you Henricht Muschamp! Best big brother ever!!!!!!!!!!!!!!!!!!!!!!
