

Hope Garcia Lopez

July 18, 1962 - April 10, 2026

Born in Houston, Texas, on July 18, 1962, Hope Garcia Lopez was born and raised on the northside of Houston and later in life made her home in Southwest Houston, where she lived until her final days. She lived a life full of connection and joy.

A cherished mother, grandmother, and friend, she was a social butterfly, always ready to help others or brighten a room with laughter. She loved to have fun and brought happiness to those around her.

As a loving grandmother, her grandchildren were her world, and she would do anything and everything for them. She was a devoted mother, always willing to do all she could for her children and to be there for them with unconditional love and support.

Her greatest joy was spending time with her family—her children, grandchildren, and spouse. She cherished every moment shared with them and created memories that will be treasured forever.

Though life brought her many challenges, she was a true fighter. Even through illness, she continued to fight to live and embraced life with hope and determination. All the way until the end, she remained happy, funny, and full of joy.

She will be truly missed by her children, spouse, family, and all who knew and loved her.

The family sincerely appreciates all the gestures of affection, support, and companionship received during this difficult time. Her memory will forever live in our hearts.
