

Hugo Del Bosque

October 15, 1966 - September 4, 2025

It is with deep sorrow we announce the passing of our dear brother, Hugo Del Bosque.

Born in Chicago, Illinois, on October 15, 1966 – died September 4, 2025, at age of 58 in Houston, Texas.

Dear son of the late Rene & Estefana Del Bosque.

Left to cherish his memory are his siblings: Rene (Theresa), Jose Angel (Maria) Sandra (Juan Carlos).

Survived by numerous nieces, nephews and great nephews, nieces as well as cousins, friends and family.

Hugo was a graduate of Mac Arthur High School, his elementary and middle school years were in Chicago, Illinois. Growing up, he followed his older brothers as they explored the city on foot, jumping cars in the junk yards, getting on trains to cross over, being free to run the streets, all of them took to being mischievous with Hugo being the youngest in tow. But built great memories, as he grew, he pitched in at his parents' Mexican restaurant where he learned from his mother his love of cooking. After graduation he worked in the auto part industry for many years, he enjoyed working on cars, giving his advice, and assisting customers with their needs. He made lots of memories with nieces spending the night with grandparents, he would allow them to

watch shows that otherwise they couldn't at home. But that made for memories to cherish with him, slowly as time permitted, he began cooking, baking, the best peanut butter cookies from scratch. The new dishes were perfected by him and shared with family. Explaining in detail the ingredients, portions etc.

He took great care of their father while his health was declining in the last years of his life, being the caregiver. He will always be in our hearts...
