

Jack Louis Martin

November 11, 1978 - November 13, 2019

On November 13th, 2019 at age 41, Jack Louis Martin passed away. He was taken away from us too soon. Jack is survived by his parents Larry and Maria Martin. His siblings Maria Ramirez, Larry Martin Jr., Elvis Martin and Adam Martin. Jack also leaves behind his wife Michelle Martin and four children Aracely Limon, Andrea Limon, Victor Limon, Jackylnn Martin and his only granddaughter Amira Quintero. He will join his Grandmothers Antonia Sinnott and Lupe de la Portilla Arellano, his big brother Johnny Lopez, and little sister Elizabeth Marie Martin.

Jack loved his family dearly. Like his father and brothers Jack was a Plumber for over 13 years. He had a true passion for plumbing and took pride in his work. In his spare time, Jack enjoyed riding his motorcycle, listening to his favorite rock bands Guns'N'Roses, The Doors, Ozzy Osbourne, Black Sabbath and Def Lepord. He also loved watching the Texans play with his dad and brothers. Jack loved going to his parents' house to eat his mom's fried catfish. He was always the life of the party, his laugh and smile could light up a room. He will be missed greatly.

We are gathering to honor the life of Jack Louis Martin. “ *What's up Cuz I know your in heaven looking down. Over the past several years I feel we grew close again from kids to adults. I wanted to say i enjoyed talking and hanging out with you. I hate that you left so soon and so tragically. Plumbing was in your blood and you were good at what you did. I thank you for all the times you were there when I needed you. God bless your family, you will be missed. RIP cuz luv ya man.*

“ Rest In Peace Jack. You will be truly missed my brother. You were always there for me any time I called. I will miss your smile and all our conversations we had. You went away too soon and only God knows why, but we will meet again one day. It really breaks my heart that I won't be able to call you and hear your voice. You will always be in my heart and memory. Love you Jack Martin
