“ *I got the sad news late and missed the services. We were friends from Creek. Jerry was a family friend to my parents, sons and friends. Such a generous and thoughtful man. I know you lived a fulfilled life. We pray for strength for your family. We will miss you.*

“ Jerry Santana was my best friend while my wife and I resided at Pin Oak Road, Conroe, TX. His workplace at OPS Fuel Service was adjacent to our home so we shared time almost every working day. Always friendly, Jerry would take the time to see if there was anything that we needed regardless of the long working hours he had just finished. He shared his family with us by inviting us to many get-togethers. His wife Eva and my wife Thelma became good friends and his daughter, Corinne, and son, Joshua, were like grandchildren to us. Jerry was tremendously proud of all of them.

*His compassion during my wife's two year fight with congestive heart failure kept us going. Upon her death, after midnight on January 21, 2014, I will never forget that it was Jerry who got me through the night. We shared tears and prayers. He also took all of the burden of settling all of the after death legal work from my shoulders. That is the Jerry Santana I remember! No one ever had a better friend.*
