“ To the only other Father In Law I will ever love and miss dearly! My heart is saddened that your not going to be physically here for Jay and I to come by and put one up in the air or sip a ice cold beer! Or hear you commentate the Texans games ! However I am comforted your in the presence of many others and painfree. You are loved by plenty, missed by many and this is not good bye, like I told you the other day I love you and see you later !
Rest In Paradise & Tell my pops I said High!
Eternal love ❤️ For a great father good friend and best father in law a gal could ever ask for!
