

## Jose Efrain "Pichi" Toro III

January 8, 1974 - May 14, 2025

Jose Efrain "Pichi" Toro III, 51, passed away on May 14, 2025, in Houston, Texas. Born on January 8, 1974, in the same city he called home throughout his life, Pichi brought warmth, laughter, and generosity to all who knew him.

Pichi was a beloved son to Jose Efrain Toro Sr. and Edna Yolanda Toro, and a cherished father to his daughter, Brianna Toro. He shared a close bond with his brothers, Hector Gabriel Toro and Nelson Toro. His family was the heart of his world, and he found joy in every moment spent with them.

Known for his quick wit and infectious humor, Pichi had an extraordinary ability to make people laugh and feel at ease. His kindness knew no bounds—he welcomed everyone with open arms and treated strangers like old friends. Whether offering a helping hand or sharing a heartfelt joke, Pichi left an impression that lingered long after the conversation ended.

One of Pichi's greatest passions was cooking. His meals were more than just food—they were expressions of love and care. Family and friends often gathered around his table to enjoy dishes prepared with thoughtfulness and flavor that reflected his generous spirit.

Pichi also had a deep appreciation for hats, amassing a collection that showcased his unique style and personality. A proud supporter of Houston

sports teams, he especially loved cheering on the Houston Astros. Game days were special occasions filled with excitement and pride for his hometown heroes.

Though he is no longer with us in person, Pichi's legacy lives on through the laughter he inspired, the meals he lovingly prepared, and the countless lives he touched with his open heart.

May his memory bring comfort to those who knew him and continue to inspire kindness in others.
