OH

We are deeply saddened for the loss of our friend Johnny. He and Rachel were always so welcoming and kind to us. Johnny always embraced our daughter Camila and always told us "ya'll better take care of her"; Cami remembers her first bike, a generous gift from Johnny, and will cherish that memory as well as so many others. I still remember joking with him that I wasn't going to let him take Oscar from me! They always joked they'd take off anywhere together, como novios! Siempre bien alegre. Descansa en paz Johnny.
