“ *My sincerest condolences to his family, friends and colleagues. Larry will be greatly missed and remembered for being a kind hearted, unassuming, shining star that left sparkles in his wake. He was such a talented, imaginative, and creative artist with his craft of event planning, catering, decorating, flower arrangements and more...He had a such keen eye for unique beauty and expression, which were expertly articulated through his work. Over the almost 30 years that I have known him to be with and around our family, the grandest and most memorable family gatherings have been those that Larry had touched. I never knew that Larry 's name was "Lorenzo ", He had introduced himself as "Larry". He was indeed unassuming, however had a fitting name for the star that he was, "Lorenzo Molina". He is now forever a shining star in the night sky. We will be able to recognize him, because he'll be the one star, shining the brightest.*
