

Marcela "BeBe" Dominguez

March 16, 1968 - August 30, 2019

Marcela "BeBe" Dominguez, 51 years old of Houston, Texas passed away on August 30, 2019 at 8:43 a.m., with her family by her side.

BeBe was born to the late Rodolfo Dominguez and Adela Dominguez on March 16, 1968. She is survived by her four children: Ashley S. Redmond, Roy Lee Redmond, Jr., Amber D. Leonard and son Xavier Leonard. BeBe is also survived by her son-in-law, Elliott Murphy and 8 beautiful grandchildren which were the source of her happiness: Kali A. Hughes(10), Elliott Liam Murphy, Jr.(6), Mallory N. Murphy(4), Alana L. Redmond(8), Raegan L. Redmond(3), Austin Leonard(8), Anthony Jefferson, Jr.(6) and Amirah Jefferson(3months). She is also survived by her mother, Adela; sisters: Virginia Perez, JoAnn Martinez and Leticia Dominguez; brothers: Raul Uriegas, Lucio Uriegas, Rodolfo Dominguez, Jr. and Abel Dominguez; numerous aunts, uncles, nieces, nephews, cousins and many friends. BeBe was predeceased by her father and two brothers, Fernando "Rick" Uriegas and Jose Uriegas.

Marcela "BeBe" Dominguez was a beloved daughter, mother, grandmother, sister, aunt, cousin and friend. On the exterior, BeBe didn't have much. She wasn't wealthy or draped in jewels. She didn't have expensive clothes or even a big house. But there was one very important thing that BeBe did possess which was priceless – she had a heart of gold! BeBe had unconditional love for those in her circle. If she had it – you had it. No questions asked! She loved to cook and feed the people she cared for. BeBe especially loved her

grandchildren most of all. She gleamed with pride each time she spoke of them, shared their photos or spoke of their accomplishments. BeBe made a promise to “right her wrongs” through them, and she fulfilled that promise because their Golden Grandma as she was dubbed, meant the world to them! BeBe was a magnet to most of the children and teens in the family. They were drawn to her child-like, carefree spirit and uncanny sense of humor. She understood and related to them in a way that made them feel comfortable enough to seek her often and miss her when it was time to part ways. She was indeed a special soul.

BeBe gave her very last to everyone around her without any expectation of anything in return. That is what I knew and loved most about her. That is the person that so many people knew and loved. If you ever wanted to know something, just ask BeBe. She was honest to a fault. It didn't matter what judgments were passed...she was REAL! The good, the bad and the ugly, what you see is what you get! There were no surprises. She didn't bite her tongue and you never had to watch your back when it involved her because you always knew where y'all stood. She's that person that would go to battle for you, and, also that person you didn't want to be in a battle with. Strong, courageous and fearless is how she will be remembered.

Can you imagine living every aspect of your life exactly how you wish without a single care in the world of what people thought? What a relief that must be. That's exactly how BeBe lived, and exactly how she left us.

She lived by her own rules. Now, she flies with her own wings.

Family, friends, and others whose lives BeBe touched are invited to Santana Funeral Directors located at 5352 Katy Fwy., Houston, Tx. 77007 from 12:00 p.m. – 3:00 p.m. on Friday, September 6, 2019 to reminisce, grieve, and support each other. “ Bebe, I can't believe God needed his Angel so young but only he knows why. I remember the good times We had when I came to live with Mom and Pops when I was a young teenager, I was 15 and you were just 10 yrs old. I loved you as a sister and seen you grow into a young Mother and now a Grandmother. You were one of a kind and loved helping others. I always be grateful to you for helping me with my two older kids when I was having problems with my ex.. I will always remember you for being the out spoken one and love to imitate others , especially me when I broke my foot.. “ wait for me!” And those that knew us knew what that meant. I remember when you told me you where going to church and had for God and how it made you feel. I was so proud of you. I know how much you loved your children and grandchildren and they will miss you dearly as all of us will. But I also know how much you loved your Mom and her you. No matter what you both went through in life you both loved each other and where there for one another. I know you are rejoicing with our Lord and Savior and especially with your Daddy Rudy and your love of your life Skinny, and your two brothers Joe and Kike .. but know our hearts are broken and we will miss you so much and there will never be another woman so loved like you BeBe. So go with the Angels little Sista and I will always have you in my prayers and heart, I will take care of Mom and be there for your Kids and grandkids if they ever need me.
All I ask of you is to watch over me, my family and save a place for me so when we reunite in Glory..
Rest in eternal peace BeBe ,
We love you and will miss you💔😭

“ *BeBe I know you are smiling down proudly on those 4 kids of yours and how united they have been through this grieving time. I told you that I would help you plan your wedding and instead you got me for your homegoing. This has been the most challenging thing I have ever done and I pray that this celebration of your life is everything that you imagined it would be. I promise you that I will never turn my back on your kids the same way you never turned your back on me or my family. You have always made us feel loved and you took care of my babies and made sure they knew they were special. Your 4 have always had a place in my heart because you were, and will always remain my FAVE! Rest easy B - till we meet again! Love, Lilly*
