“ *I think of you constantly, Yaya. I miss you every moment of each day and I wish I could see your sweet smile and hear your stories all over again. No matter how much time has passed, I carry your light within my heart.*

*I know you're resting and at peace with our ancestors.*

*I love you to the moon and beyond.*

“ *Niña Elodia! Qué falta tan grande nos hace ya su risa; sus historias de las fincas y sus carcajadas en las reuniones. La inolvidable historia de los pantalones con "cachirulo"*

*Para una madre, hermana, abuelita pero especialmente, para una amiga entrañablemente querida y altamente apreciada: Dios la bendiga. Descanse en paz. Gracias por su amistad y cariño. Nos reuniremos de nuevo en torno a una mesa, dónde otra vez fluirá la risa y la felicidad. Mis lágrimas son de felicidad, por haberla conocido.*

*A la querida y extensa familia, mi amor imperecedero y mis oraciones.*
