

Ninfa Silva Hernandez

August 24, 1958 - July 14, 2022

Born and raised right here in Houston, TX a Mother and Grandmother Ninfa was the second oldest of 4 girls born to Jose Silva and Josefa Alaniz on August 24, 1958 and passed away on July 14, 2022.

If you knew Ninfa, you'd know that she was a powerhouse of a person with a personality to match.

A strong willed independent woman, hard worker, funny and a Dancer.

She lived her life on her own terms.

Many of us will remember her by the mark that she left in our lives because if nothing else, she was honest about how she felt and made no apologies.

That's just who she was.

Although she is gone, we will continue to celebrate her life and keep her in the hearts of everyone who loved her. She will be truly missed. We Love you

Flaca!

“ *Ninfa, I'm so sorry you're gone but I'm so glad you are no longer in pain and finally at peace. You had such a huge impact on my life.....you taught me so much (on all aspects of my life) when I didn't even have a clue how to begin. From being a wife to a mother and just a strong independent woman, you taught me to speak my mind and to stand my ground. I always looked up to you and always thought of you as a second mother. I still remember the day we buried my mother, you were there every step of the way. Even when I thought I wouldn't survive, you made me see there was a purpose and that everything happens for a reason. You held me up when I couldn't do it for myself. May you rest in peace. Love, Tanya*

“ Grandma Ninfa, I am gonna miss you. I can't believe you are really gone, it seems like just yesterday I saw you on my birthday and you still had my pictures on your wall. I remember you taught me my first curse words "I'm tired of this s***" HAHA I had to eat soap for that. I know you are in a better place and will be watching over the family. Love you and you will always be in my heart.....Leo

“ Ninfa you will be missed. Thank you for being a part of my life and welcoming me into yours! You were strong but gentle in your own way and that's how God intended you to be. Jenó and Thomas will be good... both have good people around them that love them. You Rest In eternal Peace and say hi to Aunt Mary and Jenny's mom for me. Let them know just how much their eternal love has blessed her because she's able to do everything she says she wants to do and more for her and Jacobo.
