“ To my cousin Olgie. We grew up together as best cousins and we shared many memories together. If you weren't staying at my house, I was at yours. We loved each other like sisters. As we grew older we chose different paths. For years we missed out on each other's lives. Something I will regret for the rest of my life. Until recently we crossed paths again and it seemed as we never skipped a beat. Olgie I want you to know that I'm hurting so bad now that your gone. My heart hurts for whatever it was that you went through. I love you cuz and I always will. You were my right hand man. No one can ever take away my love for you and the memories I have of "us". Rest now cuz, your no longer in pain... your at peace. I know my dad will greet you and when you see his face , you will know you made it home. You are gone for now but one day we will all be together. I love you Olgie. Your now my angel. No more suffering.
