“ *My dearest son, there are no words that I can possibly say to change things. All I know that I will forever miss you. You were my first born. Son I just pray that you know that I love you no matter what. My heart is broken. I just dont understand why son. Why you left me. I love you my big baby. Until we see each other again.....love you forever. Mom*

“ Well I have so many memories with my big brother Paul not sure where to start I remember being 8 years old and you letting me wear your bulletproof vest so can feel like the real Ironman , from teaching me to ride a motorcycle like a true badass to learning how to cook a brisket. Being your sidekick when you DJ at parties to high speed racing with your 6 speed 4cyl. Ford Focus .LOL I didn't think it was possible but you made it happen . I remember you caught me skipping school but you just told me to ride the metro (you my brother was a bus driver once) I remember you bought me my first beer to taking me to my first club. Teaching me how to shoot a pellet gun when I was 9, and you being the life of the party I'm going to miss you so much

“ Well Big bro I’m really lost right now so many memories we had together from being 8 years old and you letting me wear your bulletproof vest ,it made me feel like the real Ironman , to showing me how to ride a Harley, teaching me how to smoke a brisket and fish. To being your sidekick when you Dj at parties.i remember you bought me my first beer . Remembering when you caught me skipping school and you kept it a secret from mom and dad. To showing me how to shoot a pellet gun and buying fireworks. I remember racing on 45 with your 6 speed 4cyl. Ford escort LOL I didn’t think you could pull it off but you did. Remembering having DON pay for a job for us to do but we used the money to get drunk wasted at the cookoff . I’m going to miss you Bro. Now that your gin who’s gunna help me start my bar? Who’s gonna help me scare my daughters first boyfriend. Well big brother when my time has come I hope you are waiting for me on the other side with fishing poles and beer, but till then rest in power

“ I will never forget the Love we shared for our uncle Ramiro Ramirez! Whenever I needed to talk you were there. I truly will miss you. I called you that day, no answer. I'm sorry your heart hurt so much. If only I would have posted something that day , the same day I lost my son 21 yrs ago. You were a silly one, always cracking jokes and honest never holding back on what you thought of people. You will never be forgotten! I'm sorry i couldn't be there for our goodbye! My mom Rosa Linda Cazares your tía , heart hurts for you. She too loves you forever!

“ My deepest condolences goes out to your family. I didn't know you personally but I worked with your wonderful, hilarious mother and daughter Tyrissa. Your family misses you on Earth, but God had different plans for you and needed you more. Please watch over and protect your family here on Earth. I pray your family are able to find comfort, knowing you're with our heavenly Father. R.I.P

“ My heart aches for you. You were my first nephew that made me a Tia. We grew up together as kids and continued as adults. Our older girls are only months apart. Our other children are a few years apart and I know the pain they are feeling without there daddy. You loved your girls so much that you did everything for them. I want you to know I will always be here for your girls and I will always keep you in my heart. Thank you for being Matthew’s favorite cousin. He is going to miss you. He made it clear to everyone who was his favorite. He loved it when you would hide money and make him go find it thru out the house. He loved it when you would play with his transformer. You were a very big part of his life. I’m glad he was able to have you in his life. I can go on and on about you and Matthew but you know. I love you Mijo and will never forget you. Love Tia Suzanne.
