“ *Almost 1 year and it just still doesn't seem real...I miss you everyday. I still have to remind myself to breathe because it hurts so much. What I would give for you to be here and you hold my hand to tell me your ok and everything will be ok. Everyone misses you so much. You mean so much to us your children but also to your grandkids and great grandkids they miss you so much. Love you Daddy. I know your here with us still, fathers and daughters never say goodbye.*
