“ Ray was my husband. He didn't marry no one else but me. We had two sons and a daughter. We divorced ten years later but that doesn't mean we were not close. He was my first love. The father of my only three children. Ray was fun and funny. I remember he wanted to introduce me to every new girlfriend he got lol. There were many too. Ray was my Best friend and when he passed away I was devastated. I will always miss him forever.
