“ *Gino always had a smile on his face and a good joke to tell. He was fun to work with and we all loved his cooking. Gino will be missed by all of us at J.M. Maly, Inc.*

May God give your family the courage and strength to bear this loss. Our heartfelt condolences for Gino's family. May Gino's soul rest in peace. God Bless.

“ I have many great memories of Gino. They go way back to our innocence of childhood playing football baseball basketball until it was dark. Competing at everything even school work assignments to see who could get the better grade and who could finish first. Everything was always a race with me and him. Ray was super smart that was the name he went by in elementary so I had to b on my A game everytime. One thing I did know was I had him on speed because well he was the chubby one....haha....
R.I.P. my brother until we meet again!
