“ *Marys, our deepest condolences from Marcus and I. You know you will always have us as your friends no matter what this life brings now and in the future. I did not know your mom that well but I enjoy the stories you tell me about her and your dad. I see where you get some of your character and strength to overcome what this life brings sometimes. I am glad I met you and keep your head up girl like you always do. YOU KNOW WE LOVES YOU GIRL!!!

“ *Thank you for giving me life. You fought very hard. Thank you for all the flour tortillas and chicken&dumplings. I know you are in a better place with your parents and with Mary Ann. Love you and see you later.....I don't believe in "good-byes" because I will see you and the chihuahuas (Tito & Sam) that are in heaven too! :)*
