“ *I just heard, yesterday, that Santos has left this earth for a far better place. There is just not enough words to describe what an awesome guy and great friend he was to Norman and me for so many year. I was devastated to hear and deeply regret not being there for Marcella and their sons. May the Lord give you every blessing in this time and in the future. Santos was one in a million!*

“ *Santos, you will be missed in the WORLD that you created! Having known you for 20 years in the appliance business, you could fix anything! Mostly, though, you fixed lives, and enriched many with your smile, and great humor. You leave, but are not forgotten! Always, Neil Sackheim*

“ Santos, I will miss you so much. I am so sad, the boys and my girls are sad, and Ernie is heartbroken. We know that you are in paradise and free of all suffering. Your generous soul will always be remembered. Thank you for always loving your grandchildren. You have left us with some beautiful memories. Thank you for taking my baby girls as your own grand babies. We love you and will miss you dearly. Until we meet again. -Your Daughter in Law
