

## Santos Silva

January 6, 1936 - July 6, 2016

Santos "Santitos" Silva On the evening of July 6, 2016, Santos passed away peacefully after a year battle with cancer, surrounded by family in his final moments. Santos was blessed to see the young age of 80 years old. Santos Silva was born in the small Texas town of Pleasenton on January 6, 1936. The first born son of five, to Santos and Angelita Zamora Silva. Leaving the small town where he called home, Leming, Tx, he moved to the big city of Houston. Here he started a life with his first wife Sylvia, with whom he fathered seven children, three girls and four boys. Accomplishing this by his early twenties. By his mid to late twenties he married his second wife, Maria de Jesus, with whom he also had seven children. This time five girls and two boys. Of this he would jokingly say, "Seven for each, that way neither could get mad." A man of many talents he held many jobs over his life time from working fields to building caskets himself. He was a self taught mechanic, painter, you name it, with the firm belief of, if you set your mind to it, you can get it done. He was a man who worked hard but also believed in having fun. His work ethics also included "Do something cause you like to do it, never for the money. If you don't like it you'll never be paid enough." This was true for his outlook on life as well, "As long as \*your\* happy doing what your doing." He wanted to be remembered as a man with style, from the feather in his fedora to the Stacy Adam wing tips on his feet. The smile under his finely trimmed mustache to his pressed pleated khakis. A stubborn man with a silver tongue and a heart of gold. This was Santos Silva. Santos Silva is survived by his children: Irene, Diana,

Christopher, Marcus, Maria, Zulema, Zorieda, Marianita, Eduvijes, Jesus, and Simon. As well as their families, children and grandchildren, his legacy will continue. He is also survived by brothers Rudolpho, Damas, and Henaro.
